

Grays Win Pennant in Capital City League

GRAYS CHAMPIONS IN CAPITAL CITY

Season Ends Yesterday, When Collegians Lose to Barton Heights Team.

The Capital City League automatically closed yesterday, when the Richmond Grays defeated the Battle Axes in one game, while the Collegians, who were a close second in the race for the championship, lost one to Barton Heights.

The race has been very close for the past two weeks, and not until the ending of yesterday's games was the championship decided.

The Grays, now undisputed champions of the Capital City League, must meet the winners of the Old Dominion League in a post-season series before they can be considered champions of Richmond.

When they do this, however, they establish the right to defend Richmond in the intercity series with Washington.

In the opinion of many amateur fans and players alike, the Grays will have little difficulty in defeating the Old Dominion League champions.

The Amateur Baseball Commission will meet tomorrow night at the National State and City Bank for the purpose of arranging the games of the post-season and intercity series.

Word has been received from Washington stating that the committee from the Amateur Baseball Commission, from the District will probably arrive in Richmond Tuesday, and will meet the local committee Tuesday night, when some definite dates will be agreed upon for the intercity games.

The visiting committee will be entertained by members of the local organization.

Hermitage Golf Club

On Tuesday afternoon the Country Club and Hermitage Golf Clubs will have a match game on the Hermitage links. This is merely a practice game, preliminary to the State tournament, which takes place on Hampton Roads golf course September 1. Both teams are on fine form and some close matches are expected.

It is entirely proper for spectators to follow the players, as they will be yards behind and watch the progress of the game, so long as they do not interfere with the game in any way. The course is in good condition, and some low scores have been made this month.

The record for the new course, changed in the spring, is held by Joel Perrin, who recently made a 37. The lowest scores made since July 1 have been put on a special bulletin board, and sixteen players so far have their names on the roll of honor.

Arrangements are being made for a series of games between the three golf teams at the Hermitage, the winner to get a cup now at the club, to be held for one year. It is suggested that the members of the three teams should be started three holes up as a handicap.

On Saturday several Hermitage golfers will go to Newport News to contest for championship honors. W. H. Palmer, Jr., now holds this distinction.

Among those who will enter are W. H. Palmer, R. H. Meade, W. C. Locker, W. E. Wood, John Atkinson.

JACK M'GINNIS SPRINGS SURPRISE

With Sam Jackson, He Wins Merchants' and Citizens' Handicap Easily.

Saratoga, N. Y., August 23.—"Lucky Jack" McGinnis furnished a surprise to "Memoryville" to-day when his big gelding, Sam Jackson, won the Merchants' and Citizens' handicap in a common trot. "Lucky Jack" told his friends the son of Garry Herrmann would win.

Jeff Livingston's "\$10,000 beauty," Prince Eugene, attempted to make a runaway race but after leading to the stretch coughed it up and failed to show. Sam Jackson passed last horse, which appeared a certain winner, three-sixteenths of a mile, and won as Jockey Davies pleased.

Little Nephew, heavily backed at events by the talent, had a soft thing defeating a bunch of ordinary two-year-olds in the \$3,500 Sanford Memorial and Handicapping, well ridden by Lieutenant Rockwell, landed the officers' army service cup in a busy finish.

With the Amateurs

By Joseph A. West.

The Grays are undisputed champions of the Capital City League, while the Tylers and Kahns still have one game to decide the Old Dominion League race.

Only one more Saturday before all of the amateurs close their seasons.

Battle Axe broke up "Pat" Canepa's record of straight victories. Pat won ten straight before losing to the Axes.

The Tigers football team, which made such a reputation during 1911 and 1912, has been reorganized, and expects to romp the gridiron again this fall. Any one desiring a tryout can communicate with Manager Thomas Teffy, 414 North Eighth Street, City. Manager Teffy would also like to arrange a schedule and would appreciate a proposed game with any football team in or near Richmond.

As the Tylers defeated the Kahns yesterday afternoon in the first game of a double-header, and the second game was called in the eighth inning with the score standing 8 to 5, the Kahns and Tylers will meet again Wednesday afternoon at Broad Street park at 4:30 o'clock. If Tylers should happen to win this game, they will be declared the pennant winners in the Old Dominion League, which carries with it the right to play the winners in the Capital City League, but if the Kahns win they will have to play another game to form a decision.

Manager Schmitke of the Woodall & Quarles team, of the Old Dominion League, has drafted Browning, of the Crafts; Davis, of the Ramblers; and Beazley and L. Creamer, of the American Clothing Company.

Woodall & Quarles will play the strong C. C. A. All Stars on their home ground Saturday, September 6.

The Woodall & Quarles have begun to make preparations for the season of 1914. Looks good, eh boys.

Browning has been playing a most consistent game at second for Crafts, leading the team in batting and base running. His batting average being .560, with forty-three stolen bases. I guess that is going some for a 1913 pounder.

Crafts players made sure the pennant in the Commercial League yesterday by defeating the Home Brewing Co.

Phillips played a nice game at third for Crafts yesterday. Phillips is a valuable man to any team, as he can work anywhere except behind the bat.

R. White Biersch, Gray and Fear deserve special mention for their work during the season, both in fielding and stick work for Crafts.

The Barton Heights team has secured a valuable man in Seay, who has been playing first base for Crafts, as he is always on the job.

Eybank, who caught most of the games for Crafts this season, has been out of the game for about five weeks. Here's hoping for a speedy recovery.

Hulcher is playing a good game in centerfield for the Woodworkers.

Manager Jordan, of the Woodworkers, is some "Hugh Jennings" on the coaching lines.

The Woodall & Quarles team helped to put Tylers on top. They defeated Kahns twice. If the Woodall & Quarles bunch had not defeated the "Fulton Crew," Kahns would have been champions.

Horace Wright's team will try for a new record next Saturday by trying to win their fourteenth straight game.

Mason, of the Wizards, is pitching nice ball, but the team behind him is not playing the brand of ball that they are capable of doing.

Jack Tinsley is considered the best third sacker in the Central League, and is due for faster company next season. Jack is hitting above the .300 mark, and handles himself well in the field.

LITTLE TROUBLE FOR TARS TO WIN

Take Both Ends of Double-Header From Garvin's Slipping Pirate Crew.

Portsmouth, Va., August 23.—Norfolk had little trouble winning both games of to-day's double-header from Portsmouth. The Tars played all around the Pirates, both in the field and at bat. In the first, Shenn, who started the game for Norfolk, was wild, and the Pirates scored two runs in the first inning. Burden was substituted and held Garvin's men in hand for the remainder of the game.

In the second contest the Pirates were never in the running. Manager Ryan sent Barnhardt, a new pitcher from Zanesville, Ohio, to pitch for Norfolk, and he held the Pirates in the palm of his hand. The Tars slammed the ball to all corners of the lot, and pulled off such sensational plays in the field that the Portsmouth fans deserted their team and rooted for the visitors.
